

MARMARIS

Marmaris is a contemporary occasional chair with a comfortable upholstered seat and backrest on a chrome plated tubular steel cantilever framed leg structure with embedded plastic gliders inserted to the base. The seat has a steel structure with "S" shape springs for extra flexibility and strength, this steel frame is moulded by injecting polyurethane foam. Aside from the stock colors shown, Marmaris may be special ordered in range of other colors and materials with a minimum of 8 quantity required. Marmaris is suitable for both residential and commercial use.
